

Dear Mission Health Leaders,

The Mission Health Patient Safety Institute is currently seeking nominations for Patient Safety Champions. These unit level champions will help; cultivate a culture of safety, be an additional resource to the Safety Team, engaging in Root Cause Analysis work, along with any additional event work reported through RL Solutions.

If you feel you have a rising stars in Patient Safety, possessing great potential to positively impact Mission Health's Culture of Safety, please nominate them today! Each nominee will be reviewed carefully, if chosen, they will receive an invitation to attend a full day of educational workshops held on day two of this year's annual Patient Safety Conference.

Our Patient Safety Conference will take place November 7 - 8 with topics of discussion around resiliency, safety culture, empowerment, bias, and growth in a safety culture starting at the frontline. Day one is open for anyone to attend as the second day will be by invitation only. Please encourage your staff to attend our exciting conference for an opportunity to network with our current Patient Safety Officers and other leaders of the Patient Safety Team.

We are encouraging each department to nominate 1-2 individuals who possess the following attributes:

- Strong interest in safety
- Identified leadership skills
- Positive attitude and developed interpersonal skills
- Passion for improvement and embraces positive change

Nominations can be completed by submitting the attached form to Dana Raines via inter-office mail or email to Mission Health Safety Program ([missionhealthsafetyprogram@msj.org](mailto:missionhealthsafetyprogram@msj.org)). We look forward to partnering with you in helping us develop this new role, and resulting positive impact for patient safety.

Thank you,  
The Patient Safety Institute

Remember to **SAVE THE DATE** for the Safety Conference **November 7-8th, 2018**. With NO COSTS to attend. Again, please encourage your staff to attend on November 7, as it is open to everyone. Day 2, by invitation only, which will focus on growing our Patient Safety Champions.
